

# CASSLITE™

From **ROLASOLV™** - for Accommodation & Public Areas

**CASSLITE** roller blinds are **suitable for every marine interior window, from passenger and crew cabins, lounges and meeting rooms to restaurants and more.**

CASSLITE is a fabric roller blind housed in a protective anodised aluminium cassette complete with aluminium bottom rail and with optional side channels or guide cables.

Choose from a large selection of **flame-retardant fabrics** from heavy duty blackout fabrics to semi-transparent fabrics. Each fabric offers specific light-filtering qualities to suit your requirements.

**Fabrics are available in a large selection of colours** to your exact specification. Fabrics are **colour fast** to ensure CASSLITE retains its quality look.

The **protective aluminium cassette is also available in hundreds of colours and finishes.**

**CASSLITE ensures that your window coverings are perfectly co-ordinated with your other interior fittings.**

All products from the ROLASOLV™ range are **stylish and durable**, designed to withstand passenger use. They are also designed to be simple to install and easy to operate, choose from a series of manual operating systems as well as electrical operation (see over page).

Solar Solve offers **custom-made products, fast delivery, quality packaging, spare parts included** as standard, **excellent after sales service** and CASSLITE has a comprehensive **2-year Guarantee.**

## Choice of Fabrics

A large selection of Flame Retardant fabric types and colours are available. Standard ranges include the following:

**Blackout Fabric** – 69% PVC, 23% Fibre Glass, 8% Adhesive with M1 Fire Classification (France). Easily cleaned with soap and water. Available in 12 standard colours: Navy Blue, Dark Green, Cranberry, Pink, Cream, Fawn, Pale Green, Ecru, Pale Blue, White, Grey and Black. Other colours available on request.

**Lyverscreen® Fabric** – 36% Fibre Glass, 64% PVC, Open weave fibreglass with flameproof vinyl coating, very versatile and easily maintained. Variations in the weave openness allow various degrees of outward visibility. 3 standard colours including White, White Sand, White Grey and White Pearle. With over 50 more available by special request.

**Polyester Fabric** – 100% Polyester. Available in 9 standard plain colours: Denim, Maroon, Ivory, Sunburst, Caramel, Apricot, Sky, Lavender, and Lily. Other colours also available on request.
